**6.00 Taizé Service
 led by Reverend Alistair Jones**

Worship in the Taizé style focuses on prayer and bible reading supported by simple songs. This simplicity allows contemplation and meditation, and encourages spirituality. Because the style of worship is different from other church services it may take time to become accustomed to a Taizé service. The songs are often repetitive, occasionally accompanied by a soloist, and there is no dominant leadership from musical instruments. Instead, alternative melodies may be used to enhance the beauty of human voices singing in harmony.

God of compassion, your love for humanity was revealed in Jesus, whose earthly life began in the poverty of a stable and ended in the pain and isolation of the cross: we hold before you those who are homeless and cold especially in this bitter weather. Draw near and comfort them in spirit and bless those who work to provide them with shelter, food and friendship. We ask this in Jesus' name. Amen.
