"It has become clear recently that people are taking multiple copies of the Vine from those placed in the Narthex, probably to take to their groups. This means that sometimes there are not enough copies for church attenders. We already do packets for Scouts, Guides and Pre school and would be happy to do the same for other groups that meet. Please contact Mary or Gordon Mellor or Gill Jewell with the numbers you need (for those who don't get it on the Sunday themselves). We will put labeled packets in the Narthex on the first Sunday of each issue. This will help greatly in making sure that enough copies are printed without unnecessary wastage. Please note that we do not want to stop anyone taking a copy for someone they know can't be there to collect one themselves.
