Help required please Saturday morning 30th August from 9 am

Following the refurbishment works to the activity room and corridor areas there will be a big clean up required. Everything will be dusty and need a good clean prior to re-opening to all our users on the 1st September. It is already very difficult to keep clean and dust is spreading as far as the Small Hall. Late Saturday night and early Sunday morning found me struggling to get things in reasonable order so all the help I can get will be greatly appreciated. I intend that 12 noon will be the finish time for all to clear, apart from a small team of `moppers`. The last job will be to mop all the floors including stage and main hall so of course we don't want anyone in after this is completed.

Kind regards
Alan
