CHARITY WINDOW

The Charity Window is in aid of NSPCC for January & February.

The charity window for January and February is NSPCC, here is why; The NSPCC in Leeds works in many different ways to help children who do not have a happy childhood due to experiencing a range of problems including neglect to abuse. It aims to be there whenever and wherever support is needed, working in many different ways locally here in Leeds and also campaigning at a national level.

It gives children a voice through childline, which has a base here in Leeds or through an adult helpline which anybody can phone with any concerns about a child.

Their new initiative is the childline schools service where they visit primary schools and talk to children aged 10 and 11, helping them to understand a range of issues and give them the confidence to talk and to show that there are people ready to listen to them.
