Help is Needed.

We have 4 volunteers who take it in turn to display the Order of Service on the projector screen in Chapel, particularly at the uniformed Sunday Service.

Unfortunately, we are going to lose one of the volunteers, who is leaving us in September to further his education and some of the other volunteers have other functions to perform in Chapel on some Sunday mornings.

We are therefore desperate for two new volunteers to join the rota and when we have more on board, it will then enable us to operate the system on other occasions than just at parade services.

The only experience needed is to be able to operate the laptop computer.....it's that simple!!!

I am prepared to assist you by producing the order of service slides for you to show and of course one of us will be present to support you on the Sunday morning until you are comfortable to use the system on your own.

All that is required is an hour and a half of your time, initially on a first Sunday of every month that a parade service is planned.

Please contact me on 01943 601685 or 07714695355 or by email:

howardhthompson@hotmail.co.uk .

Your help would be really appreciated.

Howard Thompson.
