Please note: In recent years the Good Friday Walk of Witness has taken place walking on pavements and not on roads. This has caused some congestion for other pavement users, so this year Horsforth Churches Together has decided that those carrying the cross or following it should be limited to about 20 - 30 people, including strong singers. It was suggested that people coming to the service at 12.00 might like to meet at their church and walk together to the Green. It was also suggested that some people might like to distribute gifts after the service.
