The Grove General Church Meeting and Annual Report

The General Church Meeting (GCM) is to be held at 7.30pm on Wednesday 22nd April 2015 in the Main Hall of The Grove Centre. Whilst voting is restricted to church members, anyone associated with The Grove is welcome to attend, to consider the future of the church. In addition to one vacancy as GCM Representative on Church Council, 5 current representatives are due to complete their terms of office: Brian Ball, Betty France, Kathryn Bussey, Janette Mawson, and David Quick, of which then last three are eligible to stand for a second term. Nominations for church members to serve on Church Council for a period of three years from 1st September, 2015, should be given in writing, with the names of proposer and seconder, to the Minister or Peter Mawson, Council Secretary, by Monday 20th April 2015, as should any items of other business. Matters for discussion will include financial affairs, and the ministry and witness of the church including the sixth Annual Report (one copy per household available in the Narthex), together with an update on the work of Shirley Crawford in Uganda and the amalgamation of the Circuit.

Wednesday Break – Open Meeting – April 15th in the Small Hall – 7:30 pm.

The speaker will be Mr Cluny McPherson, Chief Officer for Sport & Culture for Leeds City Council. He was responsible for organising the 'Tour De France'. There will be an interesting film show.

Everyone welcome – a collection will be taken for Martin House Children's Hospice.

Help is Needed

We have 4 volunteers who take it in turn to display the Order of Service on the projector screen in Chapel, particularly at the uniformed Parade Sunday Service.

Unfortunately, we are going to lose one of the volunteers, who is leaving us in September to further his education and some of the other volunteers have other functions to perform in Chapel on some Sunday mornings.

We are therefore desperate for new volunteers to join the rota and when we have more on board, it will then enable us to operate the system on other occasions than just at parade Services.

The only experience needed is to be able to operate the laptop computer ...its that simple !!!

I am prepared to assist you by producing the order of service slides for you to show and of course one of us will be present to support you on the Sunday morning until you are comfortable to use the system on your own.

All that is required is an hour and a half of your time, initially on a first Sunday of every month that a parade service is planned.
