Bench and planter

Some cannot fail to have noticed the fantastic bench and planter that have appeared by the link entrance to the centre. These have been made and provided free! by the Tenzing explorers scout group who meet at our premises. I have thanked them via one of their leaders Helen Haslam. Very kind of them and what an excellent job. The bench has already been well received with many different folks using it.

****PS. Don't miss out on the Scouts Italian evening. See separate sheet.****

Taizé Service led by the
Revd Godfrey Nicholson.

Taizé is the home of an ecumenical Christian community where anyone is welcome to spend a period of time participating in worship, study and reflection. The community has developed a distinctive style of worship, including music which has now become well known throughout the Christian world. A selection of the songs and choruses are now integrated within the forms of worship and hymn books of all the major denominations of Britain. The music may be used to support sentences from the scriptures, and as responses to prayers.

FAMILY NEWS: Please remember friends who would value your prayers.
