We are planning a 'Know Your Blood Pressure' event on Tuesday the 3rd may at the Grove Centre from 1.15pm – 3.15pm. This is part of our 'Make May purple' for the month of May to raise awareness of Stroke and the Stroke Association.

We will also be doing a bake sale with teas and coffees to purchase.

High blood pressure usually has no symptoms but is the biggest risk factor for stroke. Both lifestyle changes and medication can help to lower your blood pressure and so reduce the risk of stroke.

Many thanks. Elinor Aston
