### 18 minutes past

Our circuit is presenting us with a challenge for January. Have you read the booklet? There are many ideas for helping us to pray individually or in groups. One idea is to pause at "18 minutes past" every day and pray ('Thank you', The Lord's Prayer, a few words, .... or silence). It could be at 18 minutes past every waking hour, or at one particular hour that suits you. Whenever it is, there is likely to be someone else in the circuit who is also praying.
