September – October Carboy Appeal

Throughout 2018 the church's mission project is supporting Shirley Crawford who works as a Christian voice in the village of Pece, Northern Uganda, the epicentre of the Kony civil war that decimated the area for over 20 years. Life in Pece is far from easy. The September-October appeal is called '**Watoto Baby Home**'. This is a safe space for infants and is saving the lives of orphans and the most vulnerable babies by providing the love and care they so desperately need. It is common for babies coming into Watoto to be premature, abandoned, neglected and have severe medical problems. They are referred from many sources including hospitals, local authorities, child protection units, other homes and care organisations. From the moment they arrive at the Home babies are provided with every opportunity to live healthy and fruitful lives, the aim being to graduate the children to a Watoto village or reunite them with relatives. Once again with Shirley's work lives are being transformed and so any help to make a difference with this project will be thankfully received.

The Grove website is currently being redesigned. Please would the leaders/secretaries of all those groups who have not submitted a short piece about their group for the website do so ASAP by sending to Andy Walker. (andy.walker55@talktalk.net) or Jenny Godfrey (jennyagodfrey@gmail.com) a short paragraph (3 or 4 sentences is fine) about their group and if possible a photo or 2 (but please note that with the new data protection legislation, you have to have permission from all the people in the photo to put it on the website). If you'd rather handwrite something and give it one of us or ring us up and dictate it to us that's fine. Many thanks. Jenny Godfrey.

Are You Up To Date?

If you are a Group Leader or a helper of a Church Group working with children, young people or vulnerable adults and are worried that your DBS (Disclosure and Barring Service) documentation may be out of date, please contact me for guidance and /or renewal application details. DBS Certificates (previously known as CRB) require renewal every 5 years. Renewal is a simple process and can be done locally or at Circuit office. This notice does not apply to the Uniformed Organisations as they have their own procedural process.

We need to have our Safeguarding records up to date for Church Council review at the October meeting each year, therefore Group Lists have to be with me by 30th September, please. These can include any renewals in progress.
